

武汉大学医学部基础医学院教案

| | | | | | | | | | |
|---------|--|-----|------|---|---|------------|-------------------|--|--|
| 课 程 | Medical Immunology | 教 师 | 谭锦泉 | 职 称 | 教授 | 授课方式 | 大课(理论课)(英语或双语讲授) | | |
| 授课内容 | 自身免疫性疾病 (autoimmunity and autoimmune diseases) | | | | | | | | |
| 授课对象 | 口腔和临床医学(八年制) (for 8-year Clinical Medicine and Stomatology students) | | 教 材 | Immunology (sixth edition) by Roitt, Brostoff and Male, Harcourt Asia Pta Ltd 2001, 人民卫生出版社 | | | 授课日期 2006-2007 | | |
| 学 时 | 2 | | 教学地点 | | | 602 | | | |
| 教学目的与要求 | 1.Master concept of autoimmunity and autoimmune diseases; 2.Comprehend etiological factors and pathogenesis of autoimmune diseases; 3.Comprehend immune principle of prevention and therapy of autoimmune diseases; | | | | 时间分配 | 课堂教学方法 | | | |
| | 1.concept of autoimmunity and autoimmune diseases 2.common characteristic of autoimmune diseases 3.pathogenesis of autoimmune diseases 4.etiological factors of autoimmune diseases 5.frequent autoimmune diseases | | | | 10min 10min 25min 20min 20min | PPT(多媒体教学) | | | |
| 重 点 | common characteristic and treatment of autoimmune diseases | | | | | | | | |
| 难 点 | pathogenesis of autoimmune diseases | | | | | | | | |
| 教学准备 | PPT(多媒体课件) | | | | | | | | |
| 最新进展 | New therapy of autoimmune diseases | | | | | | | | |
| 英语词汇 | autoimmunity; autoimmune disease; SLE; molecular mimicry | | | | | | | | |
